

Extra Credit Options

Integrated Physics & Chemistry

Mrs. Johannesson

You may complete up to TWO extra credit assignments from the following list during a given semester. Each assignment will be used to replace your lowest quiz grade or as a bonus quiz – whichever is more beneficial. These assignments may be completed at any time during the semester, but are due no later than **FRIDAY, MARCH 7TH** for the first semester and **FRIDAY, MAY 23RD** for the second semester.

1. Choose any topic we are studying and write **song lyrics**. You may change the words to an existing song or create an original song. Turn in a typed copy of the lyrics along with a tape or live performance of the song. Perform your song for the class to receive maximum points. Content is important!
2. Choose any topic we are studying and write a **poem**. Turn in a typed copy of your poem. You may also choose to read your poem in front of the class. Content is important!
3. Choose any topic we are studying and create a piece of **artwork**. Include a typed description of how your artwork depicts the concepts involved. Content is important!
4. Watch an episode of *Good Eats* starring Alton Brown on the *Food Network*. Episodes are usually aired multiple times throughout the week. Check listings for specific times. Create a product (essay, poster, pamphlet, flyer, etc.) to explain how chemistry relates to the food discussed in that particular episode. Be sure to indicate the episode number and food topic.
5. Come up with **your own idea!** Just be sure to get it approved by me in advance.
